## BLOW TO HIGH COST-O'-LIVING IS PRICE SET FOR CLUB LUNCH

**ST. CLOUD TEN THOUSAND CLUB ANNOUNCES PLANS FOR OYSTER SUPPER AND GET-TOGETHER MEETING FOR NEXT TUESDAY EVENING. FINE PROGRAM BEING ARRANGED. PLATES TO BE 43c; 3 for \$1.00.**

The special committee appointed at the last meeting of the St. Cloud Ten Thousand Club to arrange a get-together luncheon, have announced their plans to have an oyster supper on Tuesday evening of next week in the old G. A. R. hall, and also stated that the ladies of the Woman's Relief Corps have agreed to do the serving. The last announcement assures the dinner part being a decided success in advance of the decision.

S. W. Porter, Geo. H. Rice and Dr. E. G. Parris, the committee from the club have decided, that since the St. Cloud Ten Thousand Club is an organization organized "not for profit," it is fitting the occasion to help our merchants take a slap at the high cost of living, and come to their aid in the movement of knocking it—out of old H. C. L., so they have decided on bargain prices for tickets to the supper, the price being marked down from 75c to 45c per plate for the oyster stew, or three tickets for \$1.00. This will give the progressive buyer an opportunity of bringing two friends at a price of 33-1/3 cents a plate. A penalty was set on bachelors and widowers who come alone, the single ticket being 43c. This should make the shrewd buyers take advantage of the "bargain prices" thus decided by the committee. Tickets will be placed on sale at both drug stores on Saturday and may be had from members of the club, who will be supplied by that date.

An interesting program has been mapped out by the committee and subjects assigned to the speakers as follows:

## NEW MIXING MACHINE INSTALLED AT HEDRICK & HEDRICK'S NEW BAKERY

In order to keep up to date in producing bread and pastries of all kinds, and to take care of the increasing business, a new dough-mixing machine was this week installed at the Hedrick and Hedrick Bakery, on Tenth street, and is now in operation. The new machine is operated by a direct connected engine and has a two barrel capacity. The business of this concern since it passed into the hands of the Hedrick brothers has been increasing rapidly, and with the addition of new machinery, it is planned to establish a trade mark label and wrapper for all bread and fancy cakes produced by them, so that their high quality of products may not be misrepresented. For some weeks the fame of the bread and cakes made by Hedrick and Hedrick has been growing, and the more regular customers for their goods that are secured by the local dealers, the more regular customers for home made goods are obtained. A trail has always made a steady customer, for these young men were bakers in Uncle Sam's Army in France, and what they did not know about the business when they entered the army they have brought back as a result of the wide world experiences.

Being formerly St. Cloud boys who answered their country's call to arms, the Hedrick brothers have taken their places in the business life of St. Cloud and deserve the co-operation of the whole city in making their business grow.

## MICHIGAN ASSOCIATION

The Michigan Association, to the members of which the St. Cloud Soldiers Home in St. Cloud, Florida, was dedicated on Wednesday, January 7, 1920, for an all day meeting. After a very bountiful dinner as the Michigan ladies know so well how to serve, the meeting was called to order by the president, Mr. C. C. Pike. All sang American, followed with prayer by the chaplain, Mr. Watson. The minutes of the previous meeting read and approved. President Pike gave an urgent invitation for those who desired to join the association and seven persons gave in their names and paid dues. Three other members paid their dues.

As the chairman of the program committee, Mrs. Whitbeck, is going to leave us, Mrs. Mangenny was appointed to take her place. Mr. Carl Engle of Detroit, sent his regards to the association, and that he would like to be with us but was not able. His housekeeper brought a fine lemon pie for the dinner.

Mr. Watson spoke briefly on the subject of the location of the Soldiers Home in St. Cloud. It was decided to meet next month in the same place for an all day meeting and the ladies were given a rising vote for the sumptuous dinner they had provided. A bill of \$3.00 was presented for supplies for the dinner.

We were then favored with the following fine program, Mrs. Wolf in charge:

Song by Hatton Tillis, accompanied by the banjo. For encore he sang, "Oh Hear Them Bells."

Mr. Helms gave us a fine talk about the Two Flags, concluding with reading the following toasts: "At a Fourth of July dinner in Shanghai, the English Consul toasted the British flag. He said, 'Here is to the Union Jack—the flag of flags, the flag that has floated on every continent and every sea for a thousand years, the flag on which the sun never sets.' It was a strong sentiment, and the Americans were a little overawed until Eli Perkins was called to toast the Stars and Stripes. Looking into the proud faces of the Englishmen, he said, 'Here is to the Stars and Stripes of the new republic! When the setting sun sinks up her stars in Alaska, the rising sun salutes her on the rock bound coast of Maine. It is the flag of liberty, I never lowered to any foe, and the only flag that whipped the flag on which the sun never sets.'"

A recitation by Mrs. Beulah Thompson, "The World I'm Passing Thru."

A reading by Mrs. Bennett, from Henry Shaw, "Josh Billings."

Mrs. Rawlings read about the little boy's history lesson, and every thing that he remembered was in 1492.

Song by Hatton Tillis, "We Shall Know Each Other There."

We then listened to a very forceful address from Judge Hoagland of North Platte, Nebraska. A rising vote of thanks was tendered him for his address.

Impromptu speeches were then called for by the President, and several responded. Judge Hoagland arose to his feet, and spoke very feelingly in the interest of the Soldiers Home in St. Cloud, and read letters from several Senators who had written him with regard to the matter.

Song by Hatton Tillis, "Will There Be Any Stars in My Crown," and a collection was taken for him amounting to \$5.70.

The meeting closed with a few words of prayer by Mr. Stewart, and a suggestion by the President that we aim to make the new year that has just opened for us the best of our lives.

FRANCES R. RILEY,  
Rec. Secy.

**DR. AND MRS. STRAIT ARRIVE**  
Dr. and Mrs. N. A. Strait, of Washington, D. C., arrived Tuesday evening and are stopping at the St. Cloud hotel for the remainder of the winter. They have been visitors to the Wonder City for many years, each winter in season, and are owners of considerable property in this city. They have a host of friends here who will be delighted to welcome them again and to learn that they are both enjoying the best of health. They did not come down last winter because their work in government departments was so great that they were needed on the job at Washington.

## ST. CLOUD YOUNG MEN'S ATHLETIC CLUB NEWEST CITY ORGANIZATION

The St. Cloud Young Men's Athletic Club, is the city's newest organization to be formed, a meeting having been held last Thursday evening to perfect the organization, which plans to cooperate with the St. Cloud Ten Thousand Club and to provide better entertainment for the young people that are numbered among our growing population.

The movement deserves the commendation of the entire city and is destined to grow into a worthy organization of young people. The report of the first meeting as shown by the minutes of the club, is as follows:

The first meeting of the St. Cloud Young Men's Athletic Club was held in the apartments over M. E. Sampson's store, on Thursday evening of last week at 7:30.

The organizer of this beneficial club was Mr. Joe Cathcart, and the meeting was therefore called to order by him.

It was moved and seconded that Mr. Joe Cathcart be appointed to act as temporary chairman.

Moved and seconded that Libburn Godwin be appointed to act as temporary secretary.

Chairman Cathcart stated that the object of this meeting was:

- (a) To band together the young men of this town (St. Cloud) into an organization for their moral uplift and physical welfare.
- (b) To work cooperation with the St. Cloud Ten Thousand Club and furnish some means of entertainment for the young people of the community.
- (c) To keep this organization in such a condition that we will have the good will of every person in the community, old and young.

4. Chairman Cathcart appointed a committee of four to draw up the constitution and by-laws. Committee as follows: Harvey Riggan, Joe Cathcart, Clark Knowlden, Edward Sheridan.

5. Chairman Cathcart extends the invitation to any young man in this community, married or single, between the ages of twelve and ninety-nine, to join this organization.

6. Chairman extends his hearty appreciation to the boys that are present at this, our first meeting.

7. Moved by Harvey Riggan and seconded by Clark Knowlden that we adjourn, placing the night for the next meeting on Monday night, January 12th, at 7:30 o'clock.

8. Those present at the meeting are: Charlie Perry, Earl Oker, Sewell Peterson, Tollef Bass, Clark Knowlden, Percie Tindall, Edward Sheridan, Joe Cathcart, Harvey Riggan and Libburn Godwin.

## WORLD HAPPENINGS BRIEFLY REPORTED

**Berger Deported from Jersey City Threatens Suit**

Victor L. Berger of Wisconsin, who is under twenty years' sentence for violating the espionage law and who, after his expulsion from Congress was re-elected from the Fifth Wisconsin District, was forbidden by the police from speaking in Jersey City last night. Berger was escorted by the police to the ferry, and sent back to Manhattan. Berger had delivered two addresses in New York and was invited by the Socialists of Jersey City to deliver a talk in that town. Charles Francis O'Brien, Director of Public Safety, protested against Berger's speaking in Jersey City, on the ground that he was found guilty of violating the Espionage Act and that he had been expelled from Congress.

In his letter of protest Mr. O'Brien wrote in part as follows:

"Sunday night, Mr. Berger delivered an address in New York, in which it is alleged he said the Constitution of the United States was a 'piece of paper.' It is also alleged that he said it would not be long before a Socialist was made Governor of Wisconsin. He is also alleged to have said: 'I leave this message with you, whether I go to prison or Congress, I will carry the flag of revolution with me.'"

It can be readily seen, therefore, with Mr. Berger's record of conviction of one of the most serious charges of the Espionage Act, and his continued preaching of revolution and the destruction of American institutions, that he is a dangerous individual. I take it that as he is against law and order and that as his appearance and speaking here tonight might lead to serious results, it is in the best interests of government that Mr. Berger be not allowed to deliver a public address in Jersey City tonight."

Berger threatens to sue the city of New Jersey.

**Two More Americans Murdered in Mexico**

The State Department at Washington announced the murder of two more Americans in Mexico last Tuesday. The official statement issued by the Department reads in part as follows:

"A Tampico dispatch to the Department of State announced today that F. J. Roney and Earl Bowles, Americans, were murdered near Port Lobos, an oil loading station between Tampico and Tuxpan, Mexico, and that their bodies were discovered on January 5. The men were employees of the International Petroleum Company.

## PIONEER BUSINESS MAN OF ST. CLOUD PASSED AWAY AT COUNTRY HOME

Albert E. Drought, one of the first business men to begin operations in St. Cloud more than ten years ago, and a citizen of Osceola county for more than thirty-five years, passed to his reward Sunday morning at 11 o'clock, after a lingering illness of many months. For some time he had hardly been able to leave his home for his office in this city. After spending the summer in North Carolina mountains, he returned to his home here early in the fall, and later took up his residence at Hammock Grove, eight miles west of the city, where he had been spending his summers for many years. For several weeks his life was despaired of before the end came, the physicians having held out no hope for his recovery for months.

Mr. Drought was about 63 years of age, and was born in India, coming to Osceola county more than thirty-five years ago. He was the organizer of the Klesinnee City Bank, and for some time handled the business of that concern. He was married in 1907 to Miss Helen Keith Nichols, and besides his widow, one child, a daughter of about ten years of age, survives.

Coming to this city when the town first started, he was actively engaged in various business enterprises that tended to develop this section and served the city in public offices at various times. For the past several years his office has been located on New York avenue between Twelfth and Eleventh streets, where he conducted the St. Cloud Taxpayers Agency and a general insurance and real estate business. There are few men in the county who numbered among their friends and business acquaintances more people than did Mr. Drought.

The funeral was conducted at the Hammock Grove home of the Droughts on Monday afternoon, with burial at the cemetery near Klesinnee.

## MRS. M. P. FOSTER GIVEN FAREWELL RECEPTION AND TOKEN

A farewell reception was given to Mrs. M. P. Foster at the St. Cloud hotel last Thursday evening, when friends gathered to express their regret at her departure to live in another state and to present some tokens of friendship before she left the city Monday for California.

The reception was the largest attended affair that has occurred in this city since the death of Mrs. Foster. A large number of many heartfelt expressions from a large circle of friends that has gathered about Mrs. Foster since she located in St. Cloud about a year ago. That her removal from the business and social life of St. Cloud is a dire thing, loss to the entire city is but a mild statement of the position she occupied in the lives of the majority of our citizens.

Coming here more than twelve months ago to recover her health she rapidly improved and as rapidly took her place in the business and social life of the city to such an extent that for months there was no movement for the welfare of the city that she was not identified among the leaders. Filling the pulpit of the Baptist church in a highly commendable manner, having added a large number of members to the congregation, was but one of the notable things accomplished by Mrs. Foster during her short stay in this city.

Entering the business world of this section as manager of the Citizens Realty Company, Mrs. Foster soon had a large clientele, and handled probably more property in the past year than any other agency in this county. Her customers were new home-seekers to St. Cloud, and the large number she located here satisfactorily attests to her ability to spread the advantages offered by this section as a place to make an ideal home.

In all religious work undertaken in this city Mrs. Foster did her share, and did it well.

When Red Cross workers were needed or any social movement was started that required the services of an indefatigable woman, it was Mrs. M. P. Foster that was rolled on to see the work succeed. In this manner she endeavored herself to a wide circle of friends who regret exceedingly that she has moved away, but who wish her unbounded success in her new home.

**Wrist Watch Presented**

At the hotel Thursday evening, when the parlors and lobby were taxed to capacity to accommodate the friends gathered, a delightful program was rendered, and a beautiful wrist watch, together with a bag of gold, was presented to Mrs. Foster by her admiring friends.

The presentation of the watch was made by Rev. W. Frank Kenney, who delivered a beautiful tribute to the recipient in bestowing the present. The bag of gold was presented by Mr. J. H. Bowen.

bag of gold was presented by C. F. Johnson in a few appropriate remarks to Mrs. Foster.

Comrade H. H. Nason sang several delightful solos and the Glee Club girls rendered several pleasing songs. M. E. Sampson furnished several violin selections.

An original poem by Mrs. Barnes was read by Mrs. E. T. Godwin to Mrs. Foster as follows:

What is this excitement—you really must tell.  
These reports now in circulation,  
We hear it! We hear it! 'Tis beginning to swell—  
And it surely will bring tribulation.

Believe it! Why no, we know 'twill not do.  
Another will say, we'll not hear.  
For false reports echo and e-ho again,  
But lastly they fill us with fear.

This talked of news flew o'er the place like wild-fire in a rage,  
Some would believe it, yet face to face  
Did the facts our hearts engage.

We heard it once, we heard it twice—  
We've had it contradicted,  
But news confirmed as manifest  
On features were depleted.

We heard it in the hotel, also on the street,  
In church and every home—  
And while with her good friends we meet,  
We'll try and disperse gloom.

We term it a public calamity  
That affects our handsome town,  
We cannot deem it otherwise  
To take one of such renown.

Must hearts here be saddened, and  
Cause for such grief—  
Will someone bring us good cheer,  
Shall we feel that for reasons there  
Will come no relief  
With the absence of one we hold dear?

But such is fate! We now must yield,  
And submit to the very best,  
While the loved one goes to another  
field,  
We shall not forget the past.

We'll not forget the good she's done  
In her gracious, pleasant way,  
But remember with love, that Our  
Father above  
Will reward her in His own good way.

And finally we'll join the throng,  
St. Cloud's good people there,  
Good wishes give and then the same  
God with you 'til we meet again.

The remarks of Mrs. Foster in accepting the gifts were touching and ap-

LETTERS TO THE EDITOR

January 8, 1920. To the Editor St. Cloud Tribune:

Enclosed find two dollars to cover for one year's subscription to the Tribune. I am among the first subscribers to your valuable paper and I would feel lost without its weekly visits. I am also among the first to invest in St. Cloud property, being the owner of a lot on New York avenue and a five acre tract two miles from the city which I purchased in 1889 from the Seminole Land and Investment Company.

I spent a portion of the winter of 1911 in Florida and the greater part of that time in St. Cloud, where I met and formed the acquaintance of some of the best people I ever knew. It seemed to me at that time that the people there lived more for the happiness and comfort of others than for themselves. I have some very pleasant personal recollections of my stay there.

Since then, however, I am very sorry to learn from the reports in the Tribune, that the spirit of selfishness has been somewhat engendered and that inharmonious and discord is the result. Too bad! Too bad! I am pleased to

note, however, in the last few issues of your paper that the spirit of amicability and inharmonious has to an extent been removed and that peace and harmony has been restored. May it ever continue.

I am certainly glad to learn that an association of the citizens has been organized for the purpose of promoting the social, religious and business interests of the city and entire community. I congratulate you in the progress already made in the uplift of the Wonder City, and trust the same will continue until the object of the St. Cloud Ten Thousand Club will be attained and then some.

Sincerely, T. B. GALBRAITH, Brooksville Pa.

To the Editor of St. Cloud Tribune: What is the purpose of the real estate company of the choicest lots in the City of St. Cloud?

We don't know, but you might inquire of N. A. Strait at the St. Cloud Hotel.

CHARGED WITH POISONING WIFE

W. D. McNulty, colored, was arrested and placed in jail at Kissimmee Tuesday after a coroner's inquest over the body of his wife resulted in finding that her death came Monday evening after taking a dose of white powder administered by the husband. A test was made by physicians before the jury by administering a few grains to a cat, which died within two minutes. The husband claimed that his wife became ill during the night and that he gave her a dose of quinine. The bottle is said to have been labeled "Quinine". An examination of the stomach will be made under the circumstances, as it is said the man charged with causing his wife's death identified the bottle as being the one from which he gave his wife the drug.

He is being held on the charge to await the action of the grand jury.

MISS WARD TO LECTURE ON JAPAN AT IMPROVEMENT CLUB

A rare treat is in store for those who attend the meeting of Woman's Improvement Club next Wednesday afternoon. Miss Elizabeth Ward, who has been a resident of Japan for several years, will give a program of story and song descriptive of its people, including the political relation of Japan to Siam.—Secretary.

EIGHTH ANNUAL CONVENTION OF CATTLEMEN

Montgomery, the Capital City of Alabama, is making large preparations for the Eighth Annual Convention of the Southern Cattlemen's Association which meets in that place January 27-30 inclusive.

This association was organized in Montgomery eight years ago and has become one of the most powerful business organizations of the South. J. D. Eldridge of Gregory, Arkansas, is

President, and Dr. R. M. Gow, of Little Rock, is Secretary.

The business meetings of the convention will be held in the big public auditorium and cattle sales will be conducted at the Union Stock Yards each afternoon. The Gay-Teague Hotel will be official headquarters of the convention. The visitors' delegates to the convention will be provided as much amusement as the business of the occasion will permit. Visits to modern stock farms, a dinner, auto rides, a special vaudeville performance and social attentions for the women visitors have been arranged.

One of the main features of the convention will be the large number of bankers here for the occasion. It is understood that Cattle Loans by the Banks will be one of the subjects of discussion on the program.

It is suggested that hotel reservations be made as early as possible through the chairman of the Visitor's Accommodation Committee, Mr. Leopold Strauss.

MILITARY ORDER LOYAL LEGION OF UNITED STATES

\*\*\* "Soissons and Chateau Thierry, St. Mihiel and the Somme—and on to the Rhine—and the Argonne Forest and the valley of the Meuse—strange names in the mouth of America, those foreign battlefields where fought our boys. But we have before us today a group of men who recall other battlefields, from Manassas to Appomattox down through Virginia; Antietam and Gettysburg in Pennsylvania; Pittsburg Landing and Shiloh in Western Tennessee, and Vicksburg down on the Mississippi River—and Chattanooga and Missionary Ridge and the bloody heights of Lookout Mountain—down upon them with Chancellorsville not far away; and Richmond—and a hundred other sanguinary places in between. We have with us today the men who fought over the battlefields that are as familiar to us as any words in the language—battlefields that have become so familiar in fact that we have all but forgotten the heroic work performed by the 'boys of 1861-65.' \*\*\*

"Not for a moment would we forget what our boys have so lately passed thru; not for a second would we minimize the sacrifices and the sufferings of those who crossed the seas to fight for us but yesterday. But—lest we forget—let us gaze upon these, our boys of half a century ago, and recall the deeds of daring they performed, the sacrifices which they made, the glorious nation they preserved that we might rear our sons to cross the ocean in our defense." —N. Upon suggestions from Dr. Ralph N. Greene, state health officer, in reply to a question from Mr. Leard as to how conditions could be bettered, disinfectants will be used regularly on all seat cushions and in toilets. Cars will be swept with wet sawdust every 100 miles. Porters will be instructed to watch for passengers spitting on the floor and immediately to spray the sputum with disinfectant.

Dr. Greene and Mr. Leard are urging the public to insist on protecting itself and to cooperate in the sanitary measures to be inaugurated. Mr. Leard declares the railroad authorities will be unable to accomplish the desired results in endeavoring to prevent the spread of contagious and infectious diseases on common carriers if the public does not appreciate its individual responsibility.

## PALE, ANEMIC GIRLS NEED A BLOOD TONIC

Pepto-Mangan Enriches and Builds Up the Blood

PALLOK, HEADACHES and SHORTNESS OF BREATH DISAPPEAR

Pepto-Mangan Sold in Liquid and Tablet Form

Why should any girl or young woman continue to have a pale, sallow complexion and a listless, down-trodden system devoid of energy and vitality?

Such young folks are continually unhappy and dejected simply because they accept such a condition as their misfortune, and envy their friends who are in the bloom of health and enjoying all the good things of life.

If such young women would realize that their anemic condition is probably due to this, impoverished blood, which could easily be enriched by Gude's Pepto-Mangan, how much happier and attractive they would be.

Gude's Pepto-Mangan is a safe, beneficial and pleasant tonic for anyone suffering from any ailment caused by poor blood. If taken regularly for a few weeks it will enrich the blood with thousands of the healthy red blood cells that are needed to carry nourishment to every part of the body.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients. Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.

Comrade and Mrs. J. W. Rankin and Lieut. and Mrs. J. S. Bracken spent a delightful day and evening Monday with Comrade and Mrs. A. E. Rankin at their beautiful home on Massachusetts avenue, that they recently purchased. The occasion was Comrade Rankin's 75th birthday anniversary. His friends hope he may live to enjoy many more birthdays. Mr. Rankin besides being a Civil War veteran was a policeman for 21 years in Minneapolis.

Mr. E. W. Morgan has been making some repairs and improvements to his cozy cottage on Pennsylvania avenue between 11th and 12th streets, during the past week and has christened the place "Sunflower Cottage," he having come here recently from Kansas City, Kan., and was a pioneer in that western town. Although Mr. Morgan thought he was living in the fastest growing city in the country, he says the ideal climate at St. Cloud and the fine people here make all his loss by the move seem insignificant. He donated several volumes to the St. Cloud library last week.

### KANSAS ASSOCIATION HELD ITS FIRST MEETING

The Kansas Association held its first meeting on Tuesday afternoon at the old G. A. R. hall, and at the same time served a dinner to those who were fortunate enough to be natives or one-time residents of that great old Jayhawker state. The meal was indeed sumptuous, and more than palatable, for evidences of distended "bosoms" were in evidence on every hand. Sunflowers were the emblems worn as the badge of honor, deft fingers having evolved a perfect replica of that gorgeous specimen of the genus flora from bits of silk. After the meal a very pleasing, though impromptu, little program was rendered, Mrs. Minnie Barber taking charge and, this was the very first meeting of this new organization, and of course, the program rendered must not be accepted as their

standard, as compared with what is to take place at future meetings. This is a real live bunch, full of Kansas ozone, whirlwind and cyclones, and there is no telling how they will pounce upon us next time.

Future meetings will take place on the first Tuesday of every month, in Oak Grove park, weather permitting. Otherwise they will gather in the old G. A. R. hall.

### OHIO ASSOCIATION

The ladies of the Ohio Association served a sumptuous dinner in the old G. A. R. hall at the noon hour to a large number of buckeye people. After dinner, the association met in the upper hall, where the meeting was called to order by the president, Rev. G. W. Brown.

After singing "America" Mr. Cooley offered prayer.

Song, "A Thousand Years."

The minutes of the previous meeting were read by the secretary and approved as read.

The collection amounted to \$8.67.

A rising vote of thanks was tendered the ladies of the association for having served a fine dinner for the people from Ohio.

Mrs. Greenwalt had charge of the splendid program, as follows:

A temperance recitation by Mae Holden.

An interesting address was made by Rev. Stewart, saying that Adams County, Ohio, was not only noted for being his birthplace, nor for men stooping so low as to sell their votes, but noted for such people who had backbone enough to prosecute such men who would sell their votes.

Instrumental music by Mrs. Barber.

Mrs. E. E. Scranton read a very interesting paper of their trip by auto from Alliance, Ohio, to Alabama and from there by rail to St. Cloud, stopping at many places of interest as they came through Kentucky and Tennessee.

Song by the audience, "Battle Cry of Freedom."

Reading by Mrs. Mechem.

Song by Mr. Scott.

Mr. Milnard of Alliance gave some reminiscences of the Civil war at Nashville and Murfreesboro, Tenn.

Mr. Winder of Linville read an interesting paper contrasting shoveling snow in Ohio and the advantages, the pleasures and enjoyments of Sunny Florida.

Song, "The Star Spangled Banner."

Benediction by Rev. G. W. Brown. J. W. Pickens, Sec.

### HOME-CRYSTAL PRODUCERS ASSOCIATION MEETS AND ELECTS OFFICERS

The first regular annual meeting of the Home-Crystal Producers Association was held in this city Monday when the business of that company was gone over and reports made of the progress made. Plans for an active sales campaign were discussed and new officers were selected for the ensuing year. Of the four hundred shares of stock represented by the capital stock of the company, more than 350 shares were represented at the meeting.

The election of officers resulted as follows:

R. H. Lemp, president; W. A. Ginn, vice president; E. R. Sylvester, secretary-treasurer; and W. S. Alyea was re-elected general manager for the new year.

All the business of the stockholders was completed at the meeting Monday, the plans discussed being referred to the directors who were elected, as follows: R. H. Lemp, W. A. Ginn, E. R. Sylvester, W. F. Iseninger, H. D. Brower, Dr. C. A. McKay and W. S. Alyea.

The company owns Florida lands near Homosassa, Florida, and their general offices are at St. Cloud.

### NEW YORK ASSOCIATION

The New York Association met in the G. A. R. Post room, on Wednesday the 7th inst., at 2 p.m. the number present being 65. After the singing of America, and the Battle Cry of Freedom, and prayer by Chaplain Lynch, the secretary read the record of the previous meeting which was approved. An invitation was given to join the society, when the following responded: Mr. and Mrs. H. A. Conklin of Wading River, Long Island, N. Y., Mr. and Mrs. C. W. Graham of Delhi, N. Y., Mr. L. D. Mereness of Sharon Springs, N. Y., Mr. J. H. Chatfield of Rochester, N. Y., Mr. H. H. Ranney of Mohawk, N. Y., and Mr. H. B. Parcell of Corning, N. Y.

A fraternal letter was read from Mr. and Mrs. Charles B. Dodge of Lynn Haven, Florida.

The program in charge of Mrs. Kaufman, was as follows:

Singing, "The Old Folks at Home."

#### MARY REIFSCHEIDER

Mrs. Mary Reifschneider was born in the state of Delaware, Nov. 28, 1849, and died suddenly at the home of her son in Alta Loma, Texas, Dec. 28th, 1913, at the age of 64 years, one month and 15 days.

When she was yet but a child her parents moved to the state of Illinois, and there she grew to womanhood and was married to Mr. George Reifschneider Jan. 27, 1869, and they lived together 51 years and six months. Mrs. Reifschneider died here in St. Cloud July 17, 1917.

Seven children were born to them, five of whom are boys. All seven survive their mother. They are: Mr. G. P. Reifschneider, Mr. J. E. Reifschneider, Mrs. Anna Overall, Mr. C. P. Reifschneider, Mr. J. W. Reifschneider, Mr. E. L. Reifschneider and Mrs. Lillian Cargyle.

Soon after their marriage they moved to the state of Iowa, where they lived for 19 years. Then they moved to the state of Texas in 1887 and thence they came to St. Cloud in 1909, and here they resided until death claimed the husband. Mrs. Reifschneider remained here for more than two years after the death of her husband, then went to Tampa to live with a son there, and after a few months went to Alta Loma, Texas, to live with a son there, and there she died.

Sister Reifschneider was converted in early girlhood and has been a faithful and useful member of the church all her life. She first united with the Methodist Episcopal church, and there was a while moved to a community where there was no Methodist church, and so she united with the Evangelical church which was there. Then afterwards they again moved into a community where there was a Methodist church and was a member of this church at the time of her death.

She died suddenly of heart failure. She went to church in the morning of the day of her death, and in the evening wrote letters to her children. She went to bed at 9:30 in the night in her usual health. At 11 o'clock she roused her son and called him to her. He went to her at once. She was very ill. She told him she was going to her God. Her last words were "Dear Lord take me home."

Sister Reifschneider was known among us here as one of the faithful members and workers of this church. She was always in her place in the congregation and in the work of the church. Her sweet Christian spirit will long remain a precious heritage in our memories.

Out of the goodness of her heart she graciously remembered many of her old friends here with Christmas cards. She had enjoyed the great religious festival of the Christmas tide, and was about to launch out upon the new year when she was suddenly ushered into the presence of a new world, and into the precious such a life and such a most precious her. The body was brought to E. S. Itano, of Alta Loma, Texas, and the funeral services were held from the Livingston Mission Methodist Episcopal church Sunday, Jan. 1, 1920, at 2:30 o'clock p. m. A very large congregation of sorrowing friends attended the services which were in charge of the pastor, Rev. H. H. Bowen. Three of her sons and two of their wives and one grandchild and many very near friends were present to pay their last fond respects to their departed friend and loved one.

The precious remains were laid to rest in Mount Peace cemetery beside her husband.

#### MATTHIAS GERWIG

Matthias Gerwig died in his home in St. Cloud at 8 o'clock a. m., Sunday, January 14, 1920.

As it came time to go to church, he went to be with the church triumphant, which he without fail, before the throne of God.

He had lived to the great age of 87 years and six months. He has been a most useful life. He raised a family of children and gave them to the country. He has served his Lord for a life time. His last sickness was one of terrific suffering. He realized that his time had come. His bedside was a place of glory. He left no uncertain testimony. He said to his pastor just a week before he died: "Brother Bowen, there is not a speck between me and my heavenly home. I'm going home to die no more. If this be death, then soon I'll be from every pain and sorrow free; all is well, all is well." He lived and died in the rich consciousness of the presence of God in his heart.

After he came out of the service of his country he united with the United Brethren church, and was a member of that church until he came to St. Cloud, when he united with the Methodist Episcopal church. He was ordained a local elder in the United Brethren church many years ago. His pastor for many years is a local preacher in that church.

The funeral services were held from the G. A. R. hall Monday, Jan. 5, 1920, at 2:30 p. m., and were in charge of Rev. H. H. Bowen of the Livingston Mission Methodist Episcopal church. The body of this remarkable man was tenderly laid to rest in Mt. Peace cemetery at St. Cloud, Florida, there to await the summons of the resurrection.

#### THE MID-WINTER SUB-TROPICAL FAIR THE COMING BIGGEST THING

Our main subject for today is the coming Sub-Tropical Mid-Winter Fair. It is a good subject and a timely one, for there is no one thing in this immediate section that means so much as this fair, and now that most of the country fairs and the Jacksonville State Fair are over, the thing uppermost in the minds of those who believe in these exhibitions is the fair that draws its exhibits from the five counties of Orange, Seminole, Volusia, Lake and Osceola, and attracts attention all over the state and secures support from the four corners of the earth, for whatever may be said of other fairs, it is an incontrovertible fact that this fair, held in Orlando, Florida, from Feb. 10th to 14th, 1920, probably brings more visitors to the state in one place than any other. It is held at the right time to influence this class of visitors and all who are in any way interested in Florida enterprise and products are always sure to be on the ground.

For ten successive years, without regard to drawbacks of weather or war, this fair has held uniformly successful exhibitions and while it has paid no dividends to the stockholders, it has never gone by default and the officers and stockholders derive pleasurable compensation in the good they feel sure they are doing the country and people.

The management to put up the very greatest citrus exhibit ever shown in the State, since this is one of the recognized greatest orange centers. Along all other lines the outlook is most promising and there are now fifteen race horses wintering in the stables on the grounds, preparing for the finest races ever had while the directors have just built a line of railroad into the grounds where the Johnny Jones shows are now wintering, with the promise of the greatest aggregation of shows ever exhibiting in Florida.

All this, including plenty of firing in the air, daylight and night fireworks, music, and many other attractions, are provided, well worth the attendance of people at either extremity of the state, over the good roads centering at Orlando or via railroad.

The management bids the press in extending a most cordial invitation to everybody everywhere to get ready and spend this February celebration in Orlando.

#### WORLD NEWS NOTES

**Dancing to the Tune of Sugar**  
Sugar! Sugar! Sugar! Precious grains of gold. There's a mighty reason of you, but you cost to heat the hand.

That's a time that will be heard in every American household for many months to come, but it will not be a painful one because it means that every citizen will have to dance to the music. And why? Nobody knows—at least no one in Washington will admit that they know, although everybody seems to think that some blunder has been made somewhere.

The law controlling the sugar rationing heard throughout 1920 went into effect on the last day of 1919. Immediately afterwards government officials at the Capital announced a speedy drop in prices, but only thereafter and right in the stores of Washington, the retail price suddenly increased from 13 to 21 cents; then came the prediction by the board that during 1920 the price over the entire country will not be less than 20 cents. It means that the people of the United States will have to cough up about a million dollars a year more for sugar than they have ever paid before. During the last five years each person has consumed about 90 pounds of sugar. The increase is 8 cents a pound over the "famine" price of 12 cents in 1917. Pretty costly dance music when the price is priced at a million. Had the advice of the sugar board, the majority of members been followed last August, the entire Cuban output for 1920 could have been brought for 64 cents a pound. After refining and transporting and allowing everyone a fair profit, sugar could have been sold today for 12 cents a pound.

**Indiana Wants the Lincoln Statue**  
Reposing somewhere in a storeroom, almost in the very shadow of the Capitol dome, boxed and wrapped to prevent dirt and dust accumulating upon it, is the famous statue of Lincoln, erected shortly after the close of the Civil war, and which was recently removed from in front of the District Court building in Washington because its outlines were not in harmony with the newly constructed court building. No decision by officials could be reached as to a proper place to re-erect it, but now Indiana comes to the rescue and in a stirring telegram from its governor pleads that the shaft be shipped to Spencer county of that state, there to rest near the grave of Lincoln's mother, Nancy Hanks, that mother and son may be represented there together.

## WORLD HAPPENINGS BRIEFLY REPORTED

(Continued from Page 1.)

fore our Treasury needs to be further drawn upon for new loans.

"Aside from some secondary measures by our Government, the problem is one of ratification of peace and ordinary business processes, and not one of increasing our burden of taxation. Our taxes are now 600 per cent over pre-war rates. We simply cannot increase this burden. Rather, the problem is one of early reduction."

These nations, Mr. Hoover went on to say, should do their full part in rehabilitating Europe and not rely on America. In summarizing he said that it was time for Europe to carry its own burdens. He pointed out that 70,000,000 people of prosperous nations who had not suffered in the war should aid materially in European relief. The solution of the bread question should be undertaken by our Government, Mr. Hoover said, in order to protect Europe "from the infection of anarchy and chaos." Poland should be particularly helped, Mr. Hoover said, because it "is the sole shield of Europe from Bolshevik invasion."

### Sixty-Three More Reds Caught In New York

On January 6th, Department of Justice agents raided the offices of "New York Communist Party" in New York City. Fifteen Communists were taken as they were about to open a meeting. In addition a list of 1,000 Communists was obtained with their special qualifications for agitation duly specified.

In an interview delivered Tuesday, January 6th, Senator Lusk, Chairman of the Committee for Investigating Anarchy in this country, made a statement in which he declared that the activities of the Reds had only been scratched so far by the Federal authorities. In this part of his statement the Senator said:

"More than 20,000 alien enemies in the Communist Party of New York State alone are openly organized for the overthrow of the Government by force and violence under the direction of Bolshevik leaders in Russia. In addition to these there are the Communist Labor Party and other revolutionary organizations working actively to accomplish the same ends, as well as many other bodies which agree with their principles and encourage their activities without participating openly in them.

"The arrests already made in this

State on the charge of criminal anarchy and for deportation hardly scratch the surface of the situation. These are revolutionary organizations throughout all parts of the State. These organizations have been recognized to reach such proportions that, in addition, the only way that they can be destroyed is for the loyal citizens in each community to perfect such organization as is necessary and co-operate with the Federal State and local authorities in uncovering and prosecuting these traitors on much the same lines as they organized and worked during the war to uncover and apprehend traitors and gave their support to the Government in that crisis."

### Two States Ratify Suffrage Amendment

The Federal Woman Suffrage amendment was ratified on January 6th by the House and Senate of Rhode Island. The House passed the ratification resolution by a vote of 80 to 3, and a few minutes later was adopted unanimously by the Senate. The Kentucky Legislature also ratified the Woman Suffrage amendment, the House of Representatives by a vote of 72 to 25 and the Senate by a vote of 30 to 8.

With Rhode Island and Kentucky added, the number of States which have ratified the Suffrage Amendment is now twenty-four.

### Senator Harding Denounces American Born Reds

At a dinner held in New York last night by the Ohio Society two favorite sons, President Nicholas Murray Butler of New York and Senator Warren G. Harding of Ohio, were the principal speakers while a message was read from General Wood said that the work of suppressing the "Red element" at Gary, made it impossible for him to attend the dinner.

In the course of his speech Senator Harding not only denounced the foreign agitator but spoke also of the American born revolutionists saying activities were more to be deplored than those of the foreigners. In part of his speech the Senator said:

"But we must not accept the overwrought impression that the assault on stable American Government is chargeable wholly and mainly to those of foreign birth who have not sworn American allegiance. The worst disloyalists and most effective conspirators wear the garb of full-fledged American citizenship, and many of them inherited American opportunity at their birth, and turned liberty into license. The ignorant foreigner is more a victim than a conspirator, because he has heard the gospel of revolution when no one preached the blessing of orderly government and the rewards of American opportunity."

### Twelve Indicted For Selling Wood Alcohol

The Federal Grand Jury, on January 6th, indicted twelve men on charges of violating the Wartime Prohibition law. Eleven are under arrest, and the arrest of the twelfth is expected soon. The indictments charged the men with entering into a conspiracy to sell methyl alcohol for beverage purposes.
